PEDIATRIC HEMATOLOGY - ONCOLOGY (HeSPHO)

SCIENTIFIC PROGRAMME

Thursday 21 November 2024

08.30-09.00	Registration - Welcome
09.00-10.00	<p>SESSION 1 Chairs: P. Delaporta, L. Kossyva, H. Pergantou</p> <p>Workup and management of neutropenia in neonates, infants and children – updated guidelines from INNOCHRON I. Pelagiadis</p> <p>Autoimmune Hemolytic Anemia and Evans Syndrome A. Makis</p>
10.00-11.00	<p>SESSION 2 Chairs: S. Polychronopoulou, E. Mantadakis, M. Oikonomou</p> <p>Bone Marrow Failure Syndromes: Phenotype vs genotype driven diagnostic approach C. Kelaidi</p> <p>Decision-Making and HSCT Indications for Pediatric MDS with Predisposition R. Masetti</p>
11.00-12.00	<p>SESSION 3 – Oral presentations I Chairs: K. Michalopoulou, C. Oikonomopoulou, N. Tourkantoni</p>
12.00-12.30	COFFEE BREAK (e-Poster walk and exhibition round)
12.30-13.30	<p>SESSION 4 Chairs: E. Goussetis, V. Kitra, M. Tzanoudaki</p> <p>Updated indications and Current State for Allogeneic Hematopoietic Stem Cell Transplantation in Severe Aplastic Anemia A. Komitopoulou</p> <p>Allogeneic hematopoietic stem cell transplantation in Hemophagocytic Lymphohistiocytosis M. Kastamoulas</p>
13.30-14.00	<p>SATELLITE LECTURE I Chair: H. Vasilatou-Kosmidis</p> <p>Pediatric patient with Neurofibromatosis Type 1 (NF1) – the Hematologist’s point of view C. Kelaidi</p> <p style="text-align: right;"><i>Courtesy of Astra Zeneca</i></p>
14.00-15.00	LUNCH BREAK (e-Poster walk and exhibition round)

15.00-16.00	SESSION 5 – Oral presentations II Chairs: A. Dettoraki, M. Nikita, I. Pelagiadis
16.00-17.00	SESSION 6 Chairs: A. Vlachou, K. Kotsoglanidou, L. Petrikkos Emerging spectrum of viral infections in children with cancer M. Kourti The gut microbiome and the use of probiotics in children with cancer A. Sfetsiori
17.00–17.30	SATELLITE LECTURE II Chair: A. Makis Diagnosis and treatment of iron deficiency anemia in children. E. Mantadakis <p style="text-align: right;"><i>Courtesy of Prime Biosciences</i></p>
17.30-18.00	COFFEE BREAK (e-Poster walk and exhibition round)
18.00-19.30	SESSION 7 Chairs: S. Polychronopoulou, A. Kattamis, P. Mitrou The role of childhood cancer registries for decision making policies and treatment strategies for children and adolescents with cancer A. Kattamis Ethical challenges and dilemmas: managing drug shortages in Pediatric Hematology-Oncology M. Servitzoglou The influence of pastoral counseling in Pediatric Haematology-Oncology Departments K. Nizamis Non-health professional support of children with cancer G. Kokkinou
19.30-20.30	OPENING CEREMONY- WELCOME ADDRESSES - OPENING LECTURE Chairs: S. Polychronopoulou, E. Mantadakis Opening Lecture Psychological, ethical and social problems and challenges in the care of patients with serious illnesses. G. Samonis
20.30	WELCOME RECEPTION

<p>09.00-10.00</p>	<p>SESSION 8 Chairs: E. Papakonstantinou, E. Chatzipantelis, M. Filippidou</p> <p>Treatment of aggressive non-Hodgkin lymphomas in pediatric population G. Avgerinou</p> <p>Update on Vascular dysplasia. The need for pediatric hematologic/oncologic diagnosis and treatment S. Intzes</p>
<p>10.00-11.15</p>	<p>SESSION 9 - Oral presentations III Chairs: K. Zisaki, E. Magkou, M. Filippidou</p>
<p>11.15-12.15</p>	<p>SESSION 10 Chairs: A. Kattamis, G. Paterakis</p> <p>Immature Leukemias (ETP-ALL, MPAL, AML-M0) in children S. Savvoukidou</p> <p>Emerging reversals and controversies in biology of Acute Lymphoblastic leukemia M. Ampatzidou</p>
<p>12.15-12.45</p>	<p>COFFEE BREAK (e-Poster walk and exhibition round)</p>
<p>12.45-13.30</p>	<p>SESSION 11 Chairs: S. Polychronopoulou, H. Vasilatou-Kosmidis</p> <p>Fifteen years of research on IKZF1 in pediatric ALL - What remains for clinical practice? M. Stanulla</p>
<p>13.30-14.30</p>	<p>SATELLITE SYMPOSIUM I Clinical benefit of the use of Dinutuximab Beta in patients with relapsed/refractory neuroblastoma- Future directions of chemo-immunotherapy Chair: V. Papadakis</p> <p>Results of chemo-immunotherapy in high-risk neuroblastoma, refractory to R-COJEC induction. V.Tzotzola</p> <p>Chemo-immunotherapy in patients with relapsed/progressive high-risk neuroblastoma A.Vlachou</p> <p>Present and future challenges V. Papadakis</p> <p>Discussion</p> <p style="text-align: right;"><i>Courtesy of Recordati Rare Diseases</i></p>
<p>14.30-15.30</p>	<p>LUNCH BREAK (e-Poster walk and exhibition round)</p>

15.30-17.00	<p>SESSION 12 Chairs: H. Vasilatou-Kosmidis, S. Grafakos, E. Chatzipantelis</p> <p>Immunotherapy and new agents in relapse of Acute Lymphoblastic Leukemia C. Oikonomopoulou</p> <p>Guidelines from ALL-IC REL 2024 protocol for T-ALL relapse S. Polychronopoulou</p> <p>De-intensification in ALL treatment E. Papakonstantinou</p>
17.00-17.30	<p>SATELLITE LECTURE III Chairs: H.Vasilatou-Kosmidis, V.Papadakis</p> <p>Assessment and Management of Platinum-Related Ototoxicity I. Pelagiadis</p> <p style="text-align: right;"><i>Courtesy of INTEGRIS</i></p>
17.30-18.00	<p>SESSION 13 Chairs: D. Kolioukas, V. Papadakis</p> <p><i>Pneumocystis jirovecii</i> pneumonia E. Mantadakis</p>
18.00-18.30	<p>COFFEE BREAK (e-Poster walk and exhibition round)</p>
18.30-20.00	<p>SESSION 14 HELLENIC SOCIETY OF HAEMATOLOGY (HSH) MEETS HELLENIC SOCIETY OF PEDIATRIC HEMATOLOGY-ONCOLOGY (HeSPHO) Chairs: S. Polychronopoulou, E. Grouzi, E. Mantadakis</p> <p>Biology of Hodgkin Lymphoma E. Chatzipantelis</p> <p>Current therapy of Hodgkin lymphoma and relapse in children and adolescent D. Doganis</p> <p>Current therapy of Hodgkin lymphoma and relapse in young adults T. Vasilakopoulos</p>

<p>09.00-10.00</p>	<p>SESSION 15 Chairs: M. Moschovi, E. Papakonstantinou, V. Antari</p> <p>Very rare tumors in children are not so rare E. Magkou</p> <p>Surveillance program for early diagnosis of secondary breast and thyroid cancer in high-risk survivors H. Dana</p>
<p>10.00-11.30</p>	<p>SESSION 16 Chairs / Σχολιασμός: N. Katzilakis, I. Peristeri, K. Stefanaki, M. Synodinou</p> <p>Non-rhabdomyosarcoma Soft Tissue Sarcomas (NRSTS) of children, adolescents and young adults: Up-to-date care and treatment guidelines from the European Pediatric Soft Tissue Sarcoma Study Group (EpSSG) A. Pourtsidis</p> <p>The role of Autologous Bone Marrow Transplantation in Bone Sarcomas A. Paisiou</p> <p>Extracranial germ cell tumors: Classification challenges and association with genetic syndromes E. Rigatou</p>
<p>11.30-12.00</p>	<p align="center">COFFEE BREAK (e-Poster walk and exhibition round)</p>
<p>12.00-13.00</p>	<p>SESSION 17 Chairs: S. Polychronopoulou, D. Doganis</p> <p>Bridging the gap between basic science and clinical oncology by IT infrastructures for models to support clinical decision support N. Graf</p>
<p>13.00-14.30</p>	<p>SESSION 18 – Oral Presentations Awards Chairs: S. Polychronopoulou, D. Doganis, E. Mantadakis</p>
<p>14.30-15.30</p>	<p align="center">LUNCH BREAK (e-Poster walk and exhibition round)</p>
<p>15.30-16.30</p>	<p>SESSION 19 Chairs: E. Mantadakis, T. Papageorgiou, V. Tzotzola</p> <p>Premature aging in childhood and adolescent cancer survivors H. Vasilatou-Kosmidis</p> <p>The impact of obesity and sarcopenia on therapeutic decisions and outcome of children with cancer A. Tragiannidis</p>

16.30-17.30	<p>SESSION 20 HELLENIC SOCIETY OF MEDICAL ONCOLOGY (HeSMO) MEETS HELLENIC SOCIETY OF PEDIATRIC HEMATOLOGY-ONCOLOGY (HeSPHO) Chairs: S. Polychronopoulou, Z. Saridaki, D. Doganis</p> <p>Challenges and possibilities for the optimal treatment of adolescents and young adults with cancer from the Pediatric Oncologist's point of view P. Panagopoulou</p> <p>Challenges and possibilities for the optimal treatment of young adults with cancer from the adult Oncologist's point of view E. Saloustros</p>
17.30-18.00	COFFEE BREAK (e-Poster walk and exhibition round)
18.00-18.30	<p>SATELLITE LECTURE IV Chairs: S. Polychronopoulou, A.Kattamis</p> <p>New therapeutic approaches for pediatric Acute Lymphoblastic Leukemia. M. Ampatzidou</p> <p style="text-align: right;"><i>Courtesy of Amgen</i></p>
18.30-19.30	<p>SESSION 21 Chairs: A. Alexopoulou, A. Kattamis, V. Papadakis</p> <p>Targeted therapies for LGGs: Recent advances and challenges A. Roka</p> <p>Immunotherapy in CNS Tumors V. Ridola</p>
19.30-20.30	<p>SESSION 22 Chairs: E. Gousetis, M. Baka, V. Papadakis</p> <p>Neuroblastoma: The European Protocol MONALISA, for monitoring recurrence with sequential liquid biopsies V. Papadakis</p> <p>Cellular therapies in neuroblastoma E. Ioannidou</p>
20.30	Closing and Farewell!!!
